

Join VWT!

Today, at 50, VWT is respected internationally as a leader in developing and implementing innovative approaches that halt and reverse declines in threatened mammal species in Britain, Ireland and mainland Europe.

Over the last ten years, VWT has grown in size and impact. Our strong track record of successful evidence-led conservation work shows what can be achieved and inspires us to continue.

We are offering an opportunity for someone to lead the Board of Trustees and work in partnership with the Chief Executive to act as the public face of the organisation. We are looking for a highly motivated individual with demonstrable leadership qualities, experience in charity governance and strong existing networks in the environment sector.

This is a three-year term with eligibility for re-appointment for a maximum of two additional terms. The organisation is based near Ledbury in Herefordshire — though board meetings take place at a range of locations with an expectation of one online meeting each year and at least one overnight meeting.

For an Application Pack with further information, please visit our website:
www.vwt.org.uk

Closing date for applications: 5pm on 21 November 2025

First interviews will be held on Friday 16th January 2026, either in person or via video conferencing. Second interviews will be held in February, date to be confirmed.
